

By way of the roadmap, the global goals became understandable and we were able to integrate them into our daily work – what we do is a part of greater responsibility.

Case Sjöbohem

SUSTAINABLE DEVELOPMENT ROADMAP

In autumn 2019, with the help of Rejlers' sustainability workshop, a roadmap was prepared for the local real estate company Sjöbohem for them to meet the Agenda 2030 sustainable development goals.

Clarifies how sustainability can be part of the financial goals, better utilization of resources and promotion of business.

AB Sjöbohem

Sjöbohem is a municipally owned real estate company in Sweden that builds, refurbish, sells and maintain properties. Sjöbohem administrates apartments with a total area of more than 55,000 sqm, and municipal buildings and office premises with a total area of more than 85,000 sqm.
